SAFE SCHOOLS.
STRONG SCHOOLS.
STRONG COMMUNITY.

On November 3, the Hillsboro School District will ask voters to consider Proposition H, which would bring impactful upgrades to district facilities and educational programs benefiting our students, staff and community. The ballot initiative would help enhance our community schools, improving security while preparing the future workforce and elevating the staff and student experience through high-quality learning environments and expanded amenities.

Throughout the summer, we've listened intently to community input to develop a list of priorities for the future of Hillsboro schools. Phase one of these projects, if funded through the ballot initiative, could include:

- Hillsboro High School Secure Entry
- District-Wide Security Improvements, including cameras and key-less entry
- Playground Upgrades
- Road, Parking, and Traffic improvements
- Safer Student Drop-off/Pick Up Areas
- Athletic Facility Improvements
- Fine Arts & Performing Arts Upgrades
- High School Band, Choir, and Drama Classrooms
- New Career and Technical Education Spaces

Please vote on November 3 as we work to protect our legacy while plan for what comes next for our students, staff and Hawk community. To learn more, visit www.hsdr3.org/page/referendum-2026

PROP H | PLEASE VOTE NOVEMBER 3RD

aid for by the Hillsboro R-3 School District - Melissa Hildebrand, Ed.S, Assistant Superintendent, 100 Leon Hall Parkway, Hillsboro, MO 63050
